

DP230L Mobile Printer

Tally
DASCOM

Easily, everywhere

- Operates with comfort thanks to its OLED screen
- Its ultraportable size and useful interface allows to use it with only one hand
- Easy paper loading
- Print paper or labels without ink or ribbon, up to 3 inches per second
- Wireless or wired connectivity for any business need

The DP-230 is a 80 mm thermal mobile printer with long battery life, reliable performance and compatibility with Bluetooth and WIFI.

It is of small weight for users to carry it with them. Its weight including the battery is only 400 g and only 111 mm * 112 mm * 56 mm in size.

Prints up to 150 meters of paper due to its large capacity lithium battery of 7.2 V / 2200

mAH. You will no longer have to reload the printer during a work day

Easily configure your printer and check the battery status thanks to its high contrast and brightness OLED display.

It is compatible with Android, IOS, Windows CE and other operating systems via Bluetooth or WiFi. Have powerful development capabilities thanks to its SDK and free utilities.

Available configurations:

Wi-Fi and Bluetooth models available

DP230L
