

DT-330: Clearly Fast.

Tally
DASCOM

Dascom's DT-330 thermal printer offers high resolution and fast printing in a small footprint.

The printer design allows for easy cover opening and an easy paper loading mechanism.

With a robust construction, the DT-330 ensures reliable operation in all environments.

Faster printing in any work environment

- Get superior print quality in less time thanks to its high resolution and high print speed.
- Adapt your printer to the communication needs of your business: USB, Serial, Wi-Fi or Ethernet
- Work regardless of print format: ESC / POS or page mode

A wide range of connectivity options make the DT-330 the perfect choice in new or legacy installations.

Its wireless interfaces allow the printer to be installed in the most difficult configurations.

It is appropriate for industries that include hospitality, healthcare, and food service.

Available configurations:

DT-330 USB Thermal Printer

Optional Ethernet, Parallel, Wi-Fi or Serial interface

DT-310 USB Thermal Printer Without Automatic Cutter

DT-330: Clearly Fast.

Print speed	300 mm / s (11.8 IPS)
Print width	80 mm
Character density	Internal font A: 46 characters per line Internal font B: 64 characters per line
Printing method	Linear thermal friction printing. Black mark sensor
Paper width	58mm, 80mm and 82.5mm
Resolution	8 dots per mm (203 DPI)
Print head life	150 km
Memory for fonts and graphics	RAM: 8 Mbytes Flash: 16 Mbytes
Standard connectivity	USB
Optional connectivity	RS-232C serial Parallel IEEE 1284 Ethernet 10 / 100Base-T / TX Wi-Fi IEEE 802.11 Bluetooth IEEE 802.15.1
Emulations	ESC / POS
Character set	PC4237, P0850, P0852, PC858, PC860, P0863, PC865, P0866, KU42, TIS11, TIS18, P0720
Maximum paper diameter	83 mm (3.26 inch)
Maximum diameter of paper core	13 mm (0.5 inch)
Weight	1.8 kg (About 4 Pounds)
Dimensions	Depth x Width x Height: 147 mm x 198 mm x 146 mm (5.8 x 7.8 x 5.8 inches)
Power supply	Input: 100 - 240V / 50-60Hz
Operating temperature	5 °C – 45 °C (41 °F–113 °F)
Humidity	10% – 95% HR
Cutter life	2,000,000 Cuts
Drivers	Microsoft Windows XP Pro®, Windows Vista / 7/8/10 32/64 bit
Warranty	12 months Manufacturer defect, parts replacement
