SOLUTIONS FOR BUSINESS PRINTING

DP-541

With the Tally Dascom DP-541 you can concentrate on your job and not on the printer. Although the printer is up to 10% smaller and 40% lighter than comparable models, it makes no compromises. A variety of interfaces and emulations allow the use of DP-541 in different environments.

Whether water, dust or vibrations, this printer operates reliably. Whether you print receipt documents or labels, the DP-541 is the perfect choice. Thanks to different holders, the printer can easily install on mobile dollies or in vehicles..
